Choose your protein

Where possible we have included a wider range of protein options, in addition to chicken and beef. Prices vary from dish to dish, as indicated in the menu.

## VEGETARIAN & VEGAN

The symbol **V** is for Vegetarian and **VG** is for Vegan.

If you select the **V** or **VG** option for these dishes, we will use the vegetarian or vegan sauces to make it. Vegan (**VG**) sauces do not contain any animal by-products.

Disclaimer: The information contained in this schedule is compiled by 3rd party professionals. It must however be noted that our food is produced in limited space kitchens where all major and minor allergens are used. Whilst we are cautious in avoiding cross contamination this can occur. In the event of serious allergies please note consumption of any of our meals is at your own risk.
